Colonel Beck  
 Thank you. We appreciate it.

> I am extending my previous deadline of 22 May to 15 June. This extension is to support the pending meeting between Peabody and Mr. Lamont on 31 May. At that time, informed by any additional guidance from the ASA (CW), my original guidance of Peabody providing a complete list of consultants to perform an Environmental Impact Statement or the application being considered withdrawn will still be in place. If, following the 31 May meeting, the ASA (CW) guidance differs from my original guidance I will codify that updated guidance in writing.
